Dear Chief Disselhort:

Enclosed are the records you requested. We have redacted some information per Wisconsin state statutes.

As required by state law I am informing you that this denial is subject to review in an action for mandamus under Wis. Stat. 19.37(1) or by application to the DA or AG. Wis. Stat. 19.35(4)(b).

Walworth County seeks to protect personal information of witnesses, complainants and others. The Sheriff's Office redacted the sex, race, address, date of birth, age, height, weight, complexion hair color, eye color, phone number, license plate and vehicle information, and VIN information, of the witness, complainant and other in this response pursuant to *Hempel v. City of Baraboo*, 2005 WI 120, 284 Wis.2d 162, 699 N.W.2d 551. Walworth County withheld the above information based upon privacy concerns of others involved, identity theft issues, and the potential chilling effects on potential future witnesses, complainants and others involved.

Prior to releasing a public record pursuant to an open records request, the Sheriff's Office, mindful of the strong legislative policy of public access to public records, must first determine whether a specific statutory or common law exception applies, preventing disclosure. Once the Sheriff's Office determines that no specific exception prevents disclosure, the Sheriff's Office must then balance the strong "public interest in disclosure of the record against the public interest favoring nondisclosure," *State ex rel Journal Co. v. County Court*, 43 Wis.2d 297, 305, 168 N.W.2d 836 (1969).

Personal information in state motor vehicle records. 18 U.S.C. Secs. 2721-25 The Driver's Privacy Protection Act ("DPPA"), 18 U.S.C. §§ 2721-25.

If you wish to inquire about any other incidents, feel free to contact me in writing, or call 262-741-4471.

NARRATIVE			
<p>12:42 AM Approximate time, Sunday, February 14, 2016, I, Deputy PAJEWSKI of the Walworth County Sheriff's Office, was driving eastbound on County Trunk A when I observed a gray Ford Focus, Illinois registration [REDACTED], travelling westbound on County Trunk A at Walnut Road. I estimated the vehicle to be travelling at 55 miles per hour in a 40 miles per hour zone. I activated my radar unit which emitted a clear and consistent tone. I tracked the vehicle for three seconds and locked the speed at 53 miles per hour which was consistent with my estimation. The radar unit displayed a patrol speed of 41 miles per hour, which was consistent with my speedometer. There were no radar obstructions in the area. I turned around and followed the vehicle. I observed the vehicle quickly turn to the right, veer off of the road onto the unpaved shoulder and then overcorrect and cross the centerline before it straightened out. I activated my red and blue emergency lights to initiate the traffic stop. The vehicle pulled over onto the shoulder and gradually slowed down. It then sped up and quickly turned into the parking lot of the Blue Overall, at W5699 County Trunk A, Town of Sugar Creek, County of Walworth, State of Wisconsin.</p> <p>I made contact with the driver and asked for his driver's license. He gave me his driver's license along with a law enforcement identification card. I advised him to move his vehicle away from the Blue Overall, because the stop was between parked cars and the bar entrance. The driver moved the vehicle to a parking stall on the southwest side of the parking lot. The driver immediately exited vehicle when he stopped. I got out, made contact with the driver, and immediately detected a strong odor of intoxicants on his breath. I asked the driver how much he had to drink. He stated, "...not enough." I asked him to repeat himself and he stated he did not have enough to drink. I identified the driver as Brian E. LOUGHRAN, [REDACTED], [REDACTED] with an Illinois driver's license. I asked him again where he was coming from and he said he was travelling from different bars in Lake Geneva. He stated he was at an Irish bar in Lake Geneva and they were heading home to his friend's house in the Lauderdale Lakes area. LOUGHRAN advised he was a Sergeant with the Norridge Police Department in Illinois and asked me if I was really going to arrest him. I stated we would be completing Standardized Field Sobriety Tests (SFST) and I will form my decision from my observations of the tests. I called for a second squad for a cover officer. While I was waiting for back up to arrive I asked LOUGHRAN if he felt drunk or if he felt buzzed. LOUGHRAN replied that he felt buzzed. LOUGHRAN asked if I was "mic'd." I advised that I was not. LOUGHRAN challenged me and stated that even his small department has microphones.</p>

Incident Date:

02/14/2016

1:04 AM Approximate time, Deputy Michael LAUDERDALE and Deputy Daniel NELSON, both of the Walworth County Sheriff's Office, arrived on scene. I asked Deputy NELSON and Deputy LAUDERDALE to move their squads onto the west shoulder of County Trunk H to create a safety area to complete SFST. I conducted SFST in that area because the parking lot of the Blue Overall was not paved and not level. I administered SFST to LOUGHRAN.

The first test I explained and administered to LOUGHRAN was the Horizontal Gaze Nystagmus (HGN) Test. I explained the instructions to LOUGHRAN who stated he understood. I checked for visible resting nystagmus, equal tracking, and equal pupil size. LOUGHRAN had equal pupil size, equal tracking and no visible resting nystagmus. I observed lack of smooth pursuit in both eyes, distinct and sustained nystagmus at maximum deviation in both eyes, and onset of nystagmus prior to 45 degrees in both eyes. LOUGHRAN initially moved his head and had to be reminded not to move his head despite stating he understood the direction. I observed six clues in the HGN test.

The next test I administered was the Walk and Turn (WAT) test. I explained and demonstrated the walk and turn test to LOUGHRAN who stated he understood the directions. LOUGHRAN was unable to maintain balance during the instructional phase. LOUGHRAN used his arms for balance throughout the test. LOUGHRAN did not step heel to toe between steps six and seven. LOUGHRAN did not step on the line on step eight and did not step heel to toe between steps eight and nine. On the return pass LOUGHRAN did not step heel to toe between steps four and five. I observed four clues in the WAT test.

The next test I administered to LOUGHRAN was the One Leg Stand (OLS) Test. I explained and demonstrated the directions to LOUGHRAN who stated he understood the directions. LOUGHRAN raised his left foot. LOUGHRAN swayed while balancing and used his arms for balance throughout the test. LOUGHRAN put his foot down and restarted the test. LOUGHRAN put his foot down twice towards the end of the test. I observed four clues in the OLS test.

1:22 AM Approximate time, I arrested LOUGHRAN for operating a motor vehicle while under the influence of an intoxicant. Based on my observations, I formed the opinion that LOUGHRAN was unable to safely operate a motor vehicle due to impairment from the vehicle in motion, my contact with LOUGHRAN, and the clues I observed from the SFST. I formed the opinion that LOUGHRAN was unable to safely to operate a motor vehicle due to impairment. To confirm my findings, I administered a Preliminary Breath Test (PBT) to LOUGHRAN. While I was setting up the PBT Deputy LAUDERDALE asked LOUGHRAN what he thought his results would be. LOUGHRAN replied that he thought he was .18. LOUGHRAN consented to the PBT which displayed a result of .15. I arrested LOUGHRAN for operating while intoxicated first offense. I secured

LOUGHRAN'S hands with handcuffs, checked them for tightness, and double locked the handcuffs for his safety. I searched LOUGHRAN for weapons and means of escape and discovered none. LOUGHRAN then secured in my squad car.

1:33 AM

Approximate time, I read the informing the accused document SP4197 to LOUGHRAN verbatim. LOUGHRAN agreed to submit an evidentiary chemical test of breath at this time. I transported LOUGHRAN to the Walworth County Jail, Deputy NELSON followed. At approximately 01:55 AM, we arrived at the Walworth County Jail. I turned LOUGHRAN over to Deputy NELSON who began the 20 minute observation period at approximately 02:01 AM. At approximately 02:21 AM, Deputy NELSON administered the Intox EC/IR-2 evidentiary breath test, however LOUGHRAN refused to take the test. I issued and explained citation B191891-0 for exceeding speed zones 11-15 miles per hours over the speed limit, adopting state statute 346.57(5), citation B191892-1 for operating while intoxicated first offense, adopting state statute 346.63(1)(a), along with a copy of the Informing the Accused document, a copy of the Intox EC/IR-2 refusal, and a notice of intent to revoke operating privileges, document number MV3396.

2:30 AM

Approximate time, I completed the Administrative portion of the Informing the Accused document. I read LOUGHRAN the pre-interrogation warning verbatim. LOUGHRAN stated he understood his rights and did not waive his rights. The rest alcohol/drug influence report was not completed.

LOUGHRAN was turned over to the Walworth County Jail staff for a book and release to a responsible party or when sober.

Under Wisconsin's Implied Consent Law, I am required to read this notice to you:

You have either been arrested for an offense that involves driving or operating a motor vehicle while under the influence of alcohol or drugs, or both, or you are the operator of a vehicle that was involved in an accident that caused the death of, great bodily harm to, or substantial bodily harm to a person, or you are suspected of driving or being on duty time with respect to a commercial motor vehicle after consuming an intoxicating beverage.

This law enforcement agency now wants to test one or more samples of your breath, blood or urine to determine the concentration of alcohol or drugs in your system. If any test shows more alcohol in your system than the law permits while driving, your operating privilege will be suspended. If you refuse to take any test that this agency requests, your operating privilege will be revoked and you will be subject to other penalties. The test results or the fact that you refused testing can be used against you in court.

If you take all the requested tests, you may choose to take further tests. You may take the alternative test that this law enforcement agency provides free of charge. You also may have a test conducted by a qualified person of your choice at your expense. You, however, will have to make your own arrangements for that test.

If you have a commercial driver license or were operating a commercial motor vehicle, other consequences may result from positive test results or from refusing testing, such as being placed out of service or disqualified.

In addition, your operating privileges will also be suspended if a detectable amount of a restricted controlled substance is in your blood.

ON 02/14/2016, AT APPROXIMATELY 12:42 AM, ON COUNTY TRUNK A AT WALNUT RD. TOWN OF SUGAR CREEK, COUNTY OF WALWORTH, STATE OF WISCONSIN I, DEPUTY PAJEWSKI, OF THE WALWORTH COUNTY SHERIFF'S OFFICE, OBSERVED THE A-GRAY FORD FOCUS, IL REG V631465 TRAVELING AT WHAT I ESTIMATED TO BE 55 MPH IN A NORTH BONE. I ACTIVATED MY RADAR UNIT WHICH EMITTED A CLEAR AND CONSISTENT TONE. I TRACKED THE VEHICLE FOR 3 SECONDS AND LOCKED THE SPEED AT 55 MPH, WHICH WAS CONSISTENT WITH MY ESTIMATION. I STOPPED THE VEHICLE IN THE PARKING LOT OF THE BLUE OVERSKY. I MADE CONTACT AND ID THE DRIVER AS THE DEFENDANT, BRIAN E. LOUGHRAN. [REDACTED] WITH AN IL DRIVER'S LICENSE. LOUGHRAN ADMITTED THAT HE "DID NOT HAVE ENOUGH" WHEN I ASKED HIM HOW MUCH HE HAD TO DRINK. I ADMINISTERED STANDARDIZED FIELD SOBRIETY TESTS AND FORMED THE OPINION THAT LOUGHRAN WAS UNABLE TO SAFELY OPERATE A MOTOR VEHICLE DUE TO IMPAIRMENT. I ARRESTED LOUGHRAN FOR OWI - 1ST. I READ THE INFORMING THE ACCUSED DOCUMENT TO LOUGHRAN VERBATIM. LOUGHRAN AGREED TO SUBMIT A CHEMICAL/EVIDENTIARY TEST OF HIS BREATH. I TRANSPORTED LOUGHRAN TO THE WALWORTH COUNTY JAIL.
